

PEPE & TETE

Spanish GCSE Summer programme

WHAT

The GCSE summer programme is an intensive and fun revision programme that builds confidence with GCSE Spanish. The programme is set up to run for 6 weeks and comprises of 3 to 5 hours per week of learning time with a native tutor.

The online set up has been tailored to maximise interaction time with a native speaker in order to build confidence with role plays, speaking and interpersonal communication skills that are crucial for GCSE Spanish.

Whether, it's AQA, Edexcel or IGCSE, we tailor the programme to the relevant exam board and select the topics that require the most attention. We also have created tailored topics to explore Spanish culture such as key festivals which will help build on the student's vocabulary.

To cap it all off, students have an option to spend a short time in Spain for a full immersion experience during the programme (see the next page for details).

“ *My wife and I are both linguists. Our daughters have loved working with Sandra over the last few years because her courses provide the essential ingredients to achieving not only academic success in the Spanish language but also gaining confidence by socialising with native speakers, learning about every day Spanish culture and having good fun on the way* ”

FULL IMMERSION IN SPAIN

They say that the best way to learn a new language is to live and interact with the locals. So as part of the GCSE summer programme, we are introducing an option to learn / improve your Spanish while experiencing the Spanish culture in a natural setting. The full immersion ensures that students practice Spanish while taking part in day to day fun activities.

LOCATION

The programme is based in the lovely town of Pilar de la Horadada that is situated in the southeast of Spain. With the Mediterranean sea just 2 km away, the town has everything that you need to have an excellent immersion. It has several restaurants, a fantastic sports centre, lots of local shops and a weekly market where you can meet very welcoming people.

Pilar is surrounded by interesting cities such as Murcia, Alicante and Cartagena so part of the experience involves visiting some of these vibrant towns to get a feel of the Mediterranean region.

OPTIONS

INTENSE WEEKEND AWAY: Designed for students that need to spend 3 -4 days fully immersed in Spanish, it provides a perfect blend of tuition and relaxation by the seaside.

SHORT BREAK: Perfect for families or students in their summer holiday and provides the best of both worlds i.e. a fun holiday coupled with learning about the Spanish culture.

Interested? See overleaf on how to get in touch...

Sandra Aviles-Martinez

My name is Sandra. I am a trained teacher who has always been passionate about education, languages, travelling and discovering new cultures. My journey started in Spain where I worked as a tennis coach for 9 years. This period exposed me to an entirely different way of learning that focused on the application beyond the tennis lessons.

Starting Pepe and Tete in England provided me with the underestimated gift of meeting the world and its different cultures in one country. That's why Pepe and Tete is more than a language learning endeavor. It's also a fun experience that creates friendships across cultures.

We would love to make learning Spanish fun for you, so if your school is interested in any of our Spanish programs, please get in touch.
